Travelling Speaker Meeting's

Starting January 1, 2011

(providing we have enough interest)

ONLY Once A Month Commitment

Another group will come in and provide speakers for your meeting once a month and your group will travel to another group and provide speakers to them. Have a meeting in the car on the way, a meeting there and another on the return trip. Schedule will be provided.

Members can carpool to conserve gas.

One drunk helping another.

All we need is the group name, contact name and phone number. I have a lot of groups that say they are interested but to date only 3 groups have given me a contact name. This is only a once a month commitment
