Step Four Step Four

Made a searching and fearless
inventory of ourselves.

"I need to look at my life."

- from The Twelve Steps Illustrated

Tradition Four: Each group should be autonomous except in matters affecting other groups or AA as a whole.

1. Do I insist that there are only a few *right* ways of doing things in AA?
2. Does my group always consider the welfare of the rest of AA? Of nearby groups? Of Loners in Alaska? Of Internationalists miles from port? Of a group in Rome or El Salvador?
3. Do I put down other members' behavior when it is different from mine, or do I learn from it?
4. Do I always bear in mind that, to those outsiders who know I am in AA, I may to some extent represent our entire beloved Fellowship?
5. Am I willing to help a newcomer go to any lengths—his lengths, not mine—to stay sober?
6. Do I share my knowledge of AA tools with other members who have not heard them?

- From the Traditions Checklist, AA Grapevine

"Not allied with Any Sect..." from *As Bill Sees It*, page 34

"While A.A. has restored thousands of poor Christians to their churches, and has made believers out of atheists and agnostics, it has also made good A.A.'s out of those belonging to the Buddhist, Islamic, and Jewish faiths.

For example, we question very much whether our Buddhist members in Japan would ever have joined this Society had A.A. officially stamped itself a strictly Christian movement.

"You can easily convince yourself of this by imagining that A.A. started among the Buddhists and that they then told you you couldn't join them unless you became Buddhist, too. If you were a Christian alcoholic under these circumstances, you might well turn your face to the wall and die."

Letter, 1954

If you trust, you don't worry! If you worry, you don't trust!

Carrying the Message by Practicing the 7th Tradition

I was recently asked the question " what does Nature Coast Intergroup do?" I was amazed because many residents of Citrus County and other areas have no idea what Intergroup really does. Many feel it is a secret organization, not a part of AA. Some think it's a money grubbing, unessential part of the service structure. I realized at that moment Nature Coast Intergroup needs to do some public relations work.

Nature Coast Intergroup (NCI) carries the AA message in the following ways: Pays for and mans a 24-hr Hotline; maintains a Website that provides on-line meeting schedules, upcoming AA events and links to other AA recovery sites; and publishes a monthly Newsletter with valuable recovery information. NCI also hosts the gratitude dinner in November and sponsors various family oriented events throughout the year.

Each time your Group sends a contribution to Nature Coast Intergroup you are providing the funds necessary to see that AA is there when someone needs us. You are carrying the message by practicing the 7th Tradition.

If your group is still unsure what NCI does or you would like to have NCI financial records available for inspection, please contact the Intergroup Chairman, Ron B. One of the NCI Trustees would be more than happy to attend your group's next business meeting.

We are but trusted servants. We are nothing more than a group of alcoholics trying to be of service to our fellow alcoholics. Please attend our meetings and find out what we are really about.

Nature Coast Intergroup Meeting Highlights — March 28, 2004

Intergroup needs support from the groups' representatives. If your group does not have a representative, please elect one so that your group has a voice at the Intergroup Meetings.

- ❖ The Hotline had 97 AA calls for the month of March.
- ❖ Skip S. suggested that volunteers take the Hotline for 2 weeks at a time if 1 month seems too long. It was also suggested that groups sign up for one month at a time and the phone could then be past around to several people during the month so that no one would have the responsibility for a long length of time.
- ❖ Ron B. will incorporate the AIAnon meeting schedule on the Intergroup's website — to also include AIAnon link and phone number.
- ❖ The Nature Coast Intergroup Website www.ncintergroup.com had 247 hits in March. (4575 from inception)
- ❖ For the Spanish speaking AA members, a link to the District 33 website has been added to our website.

Visit www.ncintergroup.com for complete minutes of the meeting.

GOSSIP

by Pat D.

*Gos.sip – n. Idle, often malicious talk, esp. about others.
(Funk & Wagnalls Standard Desk Dictionary)*

Even today, with many years of sobriety, I still feel pain when I learn that I am the subject of gossip. Consider what it does to a newcomer struggling to stay away from that first drink. Any comment made in a place where it can be overheard and passed on is gossip. Maybe the comment was made sincerely with concern and love but it usually gets back to the subject, all twisted. That's the nature of gossip.

I was taught that there are unwritten rules in AA concerning gossip, good manners and language. It takes more than not drinking to become a winner. I learned that I had to make that 180-degree turn and change many things about myself. The Twelve Steps are but the outline for my new way of life. How I work them and practice them in my everyday living and relationships with others determines if I am a winner or not.

Gossip is mentioned on page 67 of "Twelve Steps and Twelve Traditions" and is defined as "a polite form of murder by character assassination." "Daily Reflections" discusses gossip on page 297 for October 15.

Think, think, think; engage brain before opening mouth; *Live and Let Live* and all the other sayings we use are helpful. I think of them as shortcuts to the path I want to travel for the rest of my life. When I was drinking, I was mean and I did not like myself. Today I try to stop before I take anyone's inventory. Thoughts may enter my mind but I now have the control to stop and think before I get down into a gossip session. There are times when I feel that I must say something to someone about an action that I consider unacceptable behavior. But I can now tell that person directly and not talk about it to other people like a teenager.

Simply put, if I can't say something nice about someone, then I'd better keep my mouth shut!
