December Reports for Inventory and Journal

It has been my pleasure and a real privilege to serve as Journal Editor and Inventory Chair for NCI's Panel 57.
The December issue of the Journal that is in circulation now is my last issue as journal editor.
Also, as of December 31, 2008, I will be rotating out as Inventory Chair. I will continue to place orders up to December 31st.
I will continue to be available for the new chairs to contact me as questions arise.
Yours in service.

CHAIRPERSON'S FINAL REPORT: I would like to take the opportunity to wish you all a happy and blessed New Year. Congratulations to Jim Z. and the new panel as well. Thanks to Greg H. and all who helped with the Christmas Alcothon at Holder for making it such a success. Special thanks to " What's the Book Say" for their contribution. I have appointed Rick T. and Neal S. to conduct the annual audit. It will be completed by the January Intergroup meeting. Thank you for allowing me to serve. May the peace, love and joy of the season remain in your hearts always One Day At A Time. Yours In Service , Toni Thane

THOUGT FOR THE MONTH:

" The unity of A.A. is the most cherished quality our Society has. Our lives, the lives of all to come depend squarely on it. Without unity, the heart of A.A. would cease to beat; our world arteries would no longer carry the live-giving grace of God."
