Chair Report: Steve N. Nature Coast Intergroup Chair Report December 2018

I cannot express enough gratitude that you have allowed me to be Nature Coast Intergroup chair for the past two years. You have trusted me to chair your monthly meetings, set agendas for meetings, sign checks if needed, attend assemblies, and represent you to groups, area, district and the community. It has been an honor to do these things for you. It has kept me sober, kept me responsible, and has allowed me to grow in my sobriety. You have offered me a rewarding opportunity to share in A.A.'s Third Legacy - Service, and I appreciate it.

I cannot thank the officers, trustees, committee chairs, and committee members enough for service over the past two years. Without them, my job would not have been possible, and the business of AA would not have happened. They deserve appreciation from all groups and members for their service in keeping the hand of AA always there.

But above all I must express the most gratitude to all of you intergroup representatives. You have been the link in the chain connecting the individual member of an AA group to all of us who were elected to maintain operation of Nature Coast Intergroup. This has allowed our intergroup to better serve its members – which is the reason for its existence as provided for in the 9th Tradition which says, “AA, as such ought never be organized; but we may create service boards or committees directly responsible to those they serve.” Your Attendance at Nature Coast Intergroup meetings is highly important since every group has a voice in reviewing the activities of all the committees and approving all actions taken. Alcoholics Anonymous is currently making the greatest strides in its history in membership growth, service to the community and the respect of professionals and the public. Each and every one of you group representatives has had a vital role to play in this process. Thank you! Happy Sober Holidays to all of you!
Thank you for allowing me to serve, Steve N., Chair
