

## Comparing/Contrasting Nature Coast Intergroup with District 28

### A. What do District 28 and Nature Coast Intergroup Have in Common

Both exist to help the still struggling alcoholic.

Both Serve a specific geographic area – i.e. Citrus County Florida and some surrounding cities.

Both offer membership to all groups in that geographic area.

Both are committed to the AA Traditions.

Both are committed to being a fellowship, based on unity of purpose. That is often what the early members meant when they said “Keep it Simple.” They meant for AA’s unity to mean a simple singleness of purpose: the desire to stop drinking.

Both are organized for service, but in somewhat different ways and areas.

Both have websites, though somewhat different, to reach out to alcoholics

Both believe in the Responsibility Statement

Both believe in the Unity Statement

Both encourage 12 step work

Both Believe in the three legacies. Service is actually the Third Legacy of A. A. – following behind Recovery, the First Legacy, and Unity, the Second Legacy. As the pamphlet states: “Service to others and to the Fellowship reminds us that we owe our sobriety to the work of earlier members, and that our continued sobriety may depend on the hundreds of thousands who still need to learn of A.A.”

Both meet monthly to get input from the group consciences
